Information Items:

- We have had an awesome first week back! The students were excited to see their friends and teachers and are eager to learn new things!

-Please have your students dress appropriately for the weather. Unless it is colder than -20 degrees, the children go outside each day for fresh air and exercise. Snow pants, hats and mitten are strongly recommended.

-We are combining Family Literacy Night and Curriculum Night at the end of the month because we know families are very busy. Please see the attached newsletter for more details on our wellness theme.

-Student led clubs will begin the week of January 25th. Currently our grade 4 and 5 students are completing application forms and our grade three students completing their "Leader In Training" forms. Because of our common schedule this year, clubs will be spread throughout the entire week as opposed to all being scheduled during two lunch times.

-Our first Superstore sponsored pancake breakfast will be for kindergarten students on Wednesday, January 20th.

-Please note that we are part of the "Hampton Education Centre". During inclement weather, Anglophone South district personnel will decide to close the entire district, delay buses in the entire district, or within a specific Education Centre (Hampton, Saint John, Saint Stephen).

--Our weekly **Family Connections** are also posted on our school website under the **Synrevoice** tab.
