- Congratulations to all recipients of 7 Habits awards this week! We are blessed with outstanding students!

- Our students certainly showed they were creative geniuses today! For Crazy Hair Day for Juvenile Diabetes, we had students come with the wackiest and most creative hair designs- hair gel, hair colour, balloons, water bottles, crayons, toys and even cupcake hair buns. Thank you again for your support.

-We will be celebrating our dedicated running club members on Friday afternoon at 1:45 with our Fun Run. Participants will run their final kilometre while being cheered on by their upper elementary peers and families. All participants will receive a ribbon and our grade 5 marathoners will receive a medal for completing the equivalent of a marathon over the course of 6 weeks. A food tent with bananas and yogurt will be available for the runners.

-As a result of a school supply deficit this year of approximately \$2200 our **all-inclusive student fee is increasing from \$50 to \$55 for the 2017-2018 school year**. This fee includes all supplies, agendas, skating, and school performances. We ask families to provide only a backpack, lunch bag, indoor sneakers, a box of tissue, a box of large resealable bags and an inexpensive pair of ear phones (not ear buds).

-There is a meeting on June 15th @ 7:30 in the conference room for all parents interested in helping to organize a September Dream Land clean up and maintenance.

-Thank you to those of you who have had an opportunity to complete our year end family survey. If you haven't completed it yet, please visit the link below and provide feedback: <https://www.surveymonkey.com/r/fes2017familyfeedback>.

We appreciate you taking the time to provide us with valuable feedback by Friday, June 16th. This link also appears on the home page of our school website.
