K-2 ○ May 10th- Healthy Lunch Food Period #7 closes ○ May 10th-Grade 4/Marathon Running Club ○ May 11th- Grade 4 Chess ○ May 12th- Running club- Gr. 5

Information Items:

- Congratulations to the cast, crew, and directors of **Frozen** for their incredible performance last night!
- A reminder that ASD-S has a **scent-reduced policy. Exposure to perfumes and other scented products can trigger very serious health reactions in individuals with asthma, allergies, migraines, or multiple chemical sensitivities.** The health effects of fragrances – ranging in severity from mild to debilitating – can include headaches, migraines, dizziness, nausea, fatigue, shortness of breath and wheezing. For some people, especially those with asthma and other respiratory disorders, exposure to fragrances can trigger the need for emergency medical treatment. Perfumes and colognes are considered the most concentrated form of fragrance; however, fragrances can be found in a wide range of products including soaps, shampoos, deodorants, hairsprays, and cosmetics. **We have three staff members who experience serious reactions to scents and who have had to leave F.E.S. on more than one occasion due to exposure to fragrances.** Thank you for helping us maintain a safe and healthy environment for everyone.

F.E.S. Family Connections

May 1st-5th, 2023

Vision: F.E.S students will be passionate life-long learners who contribute as responsible leaders in the global community.

- **Morning supervision begins at 7:40** so please do not drop your children off on the playground before that time as they will be unsupervised.
