passport, Medicare number, and proof of your child's immunization are required. It is important to know how many future Kindergarten students will be attending as there will be a few events at the school for Pre-Kindergarten students and parents. All are aimed to ease the transition to kindergarten.

-The children did a great job on our recent Off-Site Evacuation practice.

- As part of the engagement process for developing the **10 Year Education Plan**, the Department of Education is encouraging parents to participate in an online survey at www.EducationPlanNB.ca.

-As part of our District Improvement Plan, the district is asking families to complete a **parent/family survey on communication**. The survey can be found on our school website and on the district website, but I have included the link to make it easier for you. <http://web1.nbed.nb.ca/sites/ASD-S/Lists/Communication%20with%20your%20school/NewForm.aspx?source=http://web1.nbed.nb.ca/sites/ASD-S/lists/Communication%20with%20your%20school/overview.aspx>

-The **Kennebecasis Valley Fire Department's Fire Prevention Week "Open House" (Oct. 10th, 11-2pm)** is an opportunity for all members within the community to learn about their fire department. Members of the public are encouraged to tour the fire station and sit inside various types of emergency response vehicles. Firefighters are available to answer questions about fire safety and assist with equipment demonstrations. There is a free barbeque, fire safety information pamphlets and handouts for children. You can also drop your name in a ballot box to win a prize. The event takes place rain or shine. www.kvfire.ca
