Information Items:

- Thank you to our awesome Home and School group who organized a wonderful Staff Appreciation Week. Thank you also to the families who donated gift cards. They were a huge hit. We are fortunate to be supported by such engaging families.
- Last week the province announced they will be removing all remaining COVID-19 measures on March 14, 2022. This will result in a few important changes for our schools after March Break:
 - 1) Masks will no longer be required for students, staff, or visitors.
 - 2) Students will enjoy outdoor playtime in the morning (if they arrive between 7:40- 8:05)
 - 3) Strict playground zones will be removed to allow more flexibility of where to play and with whom.
 - 4) Isolation rules will no longer be in place, however, as always, if your child is feeling unwell, please keep them at home
