

### Grade 3 Music (November 2015)

Music is enjoyed and appreciated through songs, games, and creative movement. Concepts we have been working on include keeping a steady beat, loud and quiet (dynamics), fast and slow (tempo). Students have also been working on reviewing and reinforcing rhythms that use Tah (quarter note), ti-ti (eighth note pairs), and quarter rests.

Some of our favourite songs so far are: *Whoopie Cushion*, *Number Concentration*, *No Robbers*, and *7 Habits song "Soar"- sung to Katy Perry's Roar*.

All grade 3 students performed in the Remembrance Day Assembly singing 'Take One Minute to Stand'. Performing at an assembly gives us a great goal to work towards expressive singing, and a behind the scenes look at how much work it takes to be ready to sing for a performance, as well as the reward of success of a performance well done.

Currently students are working on repertoire for the school Christmas Concert on December 14 and 15.

It is my hope that through an active and varied approach to music the students will develop a deeper awareness and appreciation which will enhance their school experience and enrich their lives!

If you have any questions or would like to speak with me, please feel free to stop by at Parent Teacher.

Sincerely,

Jennifer Russell
