We reviewed minutes from our last meeting.

- Internet safety talk given by Eugene Belliveau was a success. Good turn out and very important info was shared. There were a few teenagers in attendance as well as parents.
- Parent teacher interviews went well. Most parents seemed comfortable with the new report cards.

### **Agenda**

- Went over the chronic absenteeism numbers from the district. KPES numbers were low compared with the district.
- Sharon shared the results from the Grade 2 provincial assessment from 2016-2017. 90% of the Grade 2 students scored acceptable or above.

- The “Tell Them From Us” survey, now the “Wellness Survey”, was completed by grades four and five. The survey is a combination of multiple choice and open-ended questions. The survey is taken anonymously. Sharon shared some of the results with us. The teachers have also shared and discussed the results with the students.
- This is the final year of our current ‘School Improvement Plan’. The district already has their ends policies in place, which is what we (KPES/PSSC) will use to formulate our SIP. We will discuss the SIP in upcoming PSSC meetings.

The meeting adjourned at 8:15 p.m. The next meeting will be held on March 21, 2018.
