You are expected to complete all classroom and homework assignments to the **best of your ability**. Effort and hard work are keys to success. You may have to stay in at recess or noon hour if you need support or class work may be sent home.

You should **be on time**. Class begins at 8:10 a.m. We have a very busy day and lots to learn we don't want you to miss anything. It is a sign of respect towards your teacher and classmates to be on time. We will arrange a meeting with parents if this becomes a problem. Being on time is important.

You are expected to **treat others with kindness and respect**.

You are expected to play safely at all times. There is **no rough play permitted**.

You are expected to respect all school equipment, facilities, books and supplies with the same care and consideration you would your own valuable personal possessions.

POSITIVE BEHAVIOR GUIDELINES OUTSIDE OF THE CLASSROOM - When you arrive in the morning come directly to the playground. There is a lot of traffic in the drop off lane so you will be safe on the playground. (Not by the bike racks or on the stairs)

- WALK respectfully and quietly in the school at all times, come in and out of the school in a respectful manner.
- Use appropriate and respectful language at all times.
- All students K-5 can play on the playground structure, swings, and fields.
- Sports leaders will bring out play equipment. Students are not allowed in the woods or on the front lawn. **If you can't see the duty teacher you are out of bounds.**

INDOOR DAYS - Decide whether you want to play in your classroom or in the gym. Once you have decided you must stay there for recess. You can only play **educational games** on the computers. **No YouTube.**
