

## Quispamsis Elementary School Community Play Place

This is an ongoing fundraiser for the Home & School, we have set up an account with Dizolve and if you follow the steps below a portion of your purchases will go to the QES Community Play Place!

What is Dizolve? It is an eco-friendly laundry detergent that comes in two types: Unscented / Fragrance Free (perfect for those with sensitive skin) and Fresh Linen (for those who like a light scent). Included with this letter are samples of the unscented product and they can be used in any machine, including HE (high efficiency). The strips dissolve completely in hot and cold water. The strips are so easy to use – no more fumbling with messy measuring caps or cups and no more lugging home laundry detergent from the grocery store.
