November 28, 2012

Dear Parents, Guardians:

School skating sessions will be held during the second week of December. Please see the schedule below for each class. Our appreciation is extended to the Home and School for their sponsorship of these ice times. Thank you for your help.

**Some notes in regard to skating:**

- ✓ We ask for your co-operation in ensuring your child has a **helmet**, (a bike helmet is satisfactory), **skates**, proper clothing, warm **gloves or mittens**, and a **hat**.
- ✓ Parent skaters are welcome; please be sure to wear a helmet and set a good example for helping the students to skate safely.
- ✓ The classes will be bused to the Quispamsis Memorial Arena.

**SAFETY:**

- Students are asked to skate at a speed that allows everyone to enjoy this activity.
- Students are not allowed on the ice surface until the teacher or another adult supervisor is **on** the ice.
- If the children need to rest, we need them to go to the bleachers. They must not use the penalty boxes to sit and rest
- When bringing skates on the school bus, children **must** put their skates in a **gym bag**; a plastic bag is not strong enough to prevent accidents with sharp skates.
- Please sign the attached permission form and provide us with any information that may impact your child's participation in this school program.
- Parents and grandparents are welcome to volunteer. For the younger students help with transporting the skates is appreciated. At the rink we need help to tie the skates and to then be on the ice to skate with the groups. If you can help, please include this information on the permission form.
- We want to emphasize with students the importance of an active life-style. Thank you for your help in supporting this outing

Sincerely,

Barbara Creamer  
Vice Principal

Janet Miller  
Principal

<u>Skating Schedule</u> <u>- 26 Classes</u>	<u>Time</u>	<u>Class 1</u>	<u>Class 2</u>	<u>Class 3</u>
<b>Dec. 12</b>	9:00-9:40	K McMillan	K Hickey	4 Conrod
