

MISSION:

Our BES community believes in success for all

VISION

Belleisle Elementary School strives to prepare students for the twenty first century by delivering the curriculum in an innovative and creative manner. We promote respect for all people, collaboration and mutual responsibility.

VALUES:

At Belleisle Elementary, we will:

- Put children first as they are our link to the future. They are the mutual responsibility of parents, school, and the community.
- Foster a love of learning
- Ensure a safe and positive learning environment.
- Provide innovative instruction where activities are child centered and hands on.
