## Communication

- Our school uses Synervoice, school website and e-mail as a means of keeping families informed of upcoming school and community events. Please provide the school with an e-mail address to send notices and newsletters in order to help save the amount of paper we send to your home.
- Newsletters are sent by e-mail and posted on our school website at the first of each month. In addition there is a wealth of information for parents as well many pictures of the variety of activities that go on each year and samples of some student work. You can check out all this info on our school website at <http://hampton-elementary.nbed.nb.ca>

# School Fees

We will be collecting student fees during the month of September.

The fees cover skating, cultural events and agendas. All Grades 3-5 (English and French Immersion) \$20.00.

## Hot Lunch

Lunch tickets are sold each Monday morning (a book of 10 for 25.00) for hot lunch on Monday & Wednesday (pizza) and Thursday (subway sandwiches). Each item costs one ticket and is collected each hot lunch day by the homeroom teacher. To cut down on the amount of money to be counted and collected for hot lunch each week, we encourage you to buy tickets each Monday.

## Traffic Notes

- When dropping off your children in the morning please proceed beyond the first crosswalk and do not drop children off in the playground area as that is a bus drop off zone. If you must pick up your children after school, please park in the spaces adjacent to the playground. During inclement weather, or very cold weather, please drop off your children near the front entrance of the school **close** to doors near the traffic circle to allow children to be dropped off by the buses directly in front of the school and to avoid traffic congestion on wet or cold weather mornings.

### Traffic Notes continued

- Passing a school bus when the red lights are flashing is a serious offense and may result in a substantial fine. Please remember the speed limit on School Street is 20 kilometers

# School Code of Conduct

Hampton Elementary is a

- Feet Off
- Words off school

# Homework Expectations

A reasonable amount of homework provides an important to support in the following ways:

- 1) It can periodically allow children to complete unfinished work at home.
- 2) It gives parents an opportunity to reinforce literacy or math facts that have been taught at school.

Homework assignments can be viewed daily in the student agenda. Any important communication between parents and teachers can be recorded in the student agenda.

Homework should take about 10 minutes for each grade level. For example, grade three,  $10 \times 3 = 30$  minutes for that evening.

# “Play First, Then Eat”

(also known as Recess Before Lunch)

“Play First, Then Eat” is simply a change in the traditional scheduling order of lunch time and recess. This idea was first put into practice in Montana and has gained popularity across North America. Many schools and districts in the US have adopted this model as have schools in Canada. In our own province and district “Play First, Then Eat” has been implemented successfully.

The benefits reported include:

1. Teachers notice that children are more settled after eating and are more ready to start afternoon learning.
2. Children waste less food and drink more milk because they build up an appetite while playing outside.
3. There is improved behaviour in afternoon classes.

# Volunteer Opportunities...

1. Volunteer in our classrooms
2. Become a member of Parent School Support Committee - If you are interested in being a member of the PSSC please meet in the library for a brief meeting after meeting the teacher.
3. Become a member of the Home and School – If you are interested in being a member of the H&S please meet in the Art room for a brief meeting after meeting the teacher
