

Welcome to Hampton Elementary School! Bienvenue!

Our mission is to:

Help and believe in

Each student so that he or she can reach their highest potential in a

Safe , supportive, inclusive environment

At HES all staff will:

Be safe, supportive and inclusive

Encourage student success

Lead with a “Can Do” attitude

Invest in school pride

Engage students in personal challenges

Value risk taking and confidence

Expect students to succeed

2:35	End of Instruction
2:40	Dismissal
2:45	<i>Buses Depart</i>

Starting our day...

Traffic Notes

When dropping off your children in the morning please proceed beyond the first crosswalk and do not drop children off in the playground area as that is a bus drop off zone. If you must pick up your children after school, please park in the spaces adjacent to the playground. During inclement weather, or very cold weather, please drop off your children near the front entrance of the school **close** to doors near the traffic circle to allow children to be dropped off by the buses directly in front of the school and to avoid traffic congestion on wet or cold weather mornings.

Passing a school bus when the red lights are flashing is a serious offense and may result in a substantial fine. Please remember the speed limit on School Street is 20 kilometers

School Fees

We will be collecting student fees during the month of September. Students are also required to shop for their own supplies – a list will be made available soon.

The fees cover skating, cultural events and student agendas. All Grades 3-5 (English and French Immersion) \$20.00.

Plans are to have a Meet the Teacher evening before school begins in the Fall, so that students may bring their supplies and drop them off in their classrooms.

Meet the Teacher: Wednesday, September 2, 2015 6:30PM

School Code of Conduct

Hampton Elementary is a

- Hands off
- Feet Off
- Words off school

The staff of Hampton Elementary define, practice and model specific skills to ensure smooth transitions and orderly conduct. As a result, our school has been recognized for having a school environment that is calm, relaxed, and dedicated to student learning. This has contributed to a great positive learning environment!

Skills for the first two months include:

Entering building
Speaking to others
Morning Routine
Hall Passes
Moving through the school
Visitors
Bathroom
Leaving the school
Fire Drill
Listening
Asking for help

Skillstreaming

WITS

I promise to use my WITS, to **w**alk away, **i**gnore, **t**alk it out and **s**eeK help when I'm dealing with teasing and bullying.

I promise to also help other kids use their WITS to keep my school and my community a safe and fun place to be and learn.

“Play First, Then Eat”

(also known as Recess Before Lunch)

“Play First, Then Eat” is simply a change in the traditional scheduling order of lunch time and recess. This idea was first put into practice in Montana and has gained popularity across North America. Many schools and districts in the US have adopted this model as have schools in Canada. In our own province and district “Play First, Then Eat” has been implemented successfully.

The benefits reported include:

1. Teachers notice that children are more settled after eating and are more ready to start afternoon learning.
2. Children waste less food and drink more milk because they build up an appetite while playing outside.
3. There is improved behaviour in afternoon classes.

Playgrounds

There are two playgrounds at Hampton Elementary School.

Grade Five students play on the Hawk's Nest and the students in grade Three and Four play on the other playground. Both areas contain playground equipment and paved areas for games such as basketball and skipping, etc.

The Home & School Association is currently working on playground upgrades so that both playgrounds have age-appropriate equipment.

Over 45 members!

Hot Lunch

Lunch tickets are sold each Monday morning (a book of 10 for 25.00) for hot lunch on Monday & Wednesday (pizza), Thursday (subway sandwiches) and Friday (Kredls). Most items cost one ticket and is collected each hot lunch day by the homeroom teacher. To cut down on the amount of money to be counted and collected for hot lunch each week, we encourage you to buy tickets each Monday.

*this may look different for the 2015-2016 school year

Milk

HES sells chocolate and white milk and is pre-ordered. The cost is \$0.45 for white and \$0.50 for chocolate. The first milk order will begin in mid-September and will last for about 40 days. Milk order forms are sent home, in advance, so parents know when to order their milk. There are approximately four orders per year and we offer milk until the end of June.

Our school uses Synervoice, school website and e-mail as a means of keeping families informed of upcoming school and community events. Please provide the school with an e-mail address to send notices and newsletters in order to help save the amount of paper we send to your home.

Newsletters are sent by e-mail and posted on our school website at the first of each month. In addition there is a wealth of information for parents as well many pictures of the variety of activities that go on each year and links to teachers' classroom websites. You can check out all this info on our school website at <http://hampton-elementary.nbed.nb.ca>

Communication

Alternate Bus Arrangements

Students who require a change in their after school plans, must complete a change of transportation form 24 hours in advance. These changes are not permitted for after school playdates and/or birthday parties.

If there is an emergency, and a change **must** be made, please contact the school as soon as possible.

Anglophone South School District REQUEST FOR STUDENT CONVEYANCE TO AN ALTERNATIVE LOCATION

Parents/Guardians may request to have their child/children delivered to an alternative address. Students MAY be permitted to travel to an alternative address subject to the following conditions:

- If the service requested occurs on a consistent basis (i.e. daily or every Monday)
- If the request can be accommodated on an existing route and stop within the school of attendance boundary
- If the bus can accommodate extra passengers.

Please note: This is a courtesy and services may be withdrawn if conditions change such as route or load levels.

Homework Expectations

A reasonable amount of homework provides an important means to support in the following ways:

- 1) It can periodically allow children to complete unfinished work at home.
- 2) It gives parents an opportunity to reinforce literacy or math facts that have been taught at school.

Homework assignments can be viewed daily in the student agenda. Any important communication between parents and teachers can be recorded in the student agenda.

Homework should take about 10 minutes for each grade level. For example, grade three, $10 \times 3 = 30$ minutes for that evening.

Homework Expectations cont.

The classroom teacher will communicate the homework expectations. Homework is designed to reinforce and review work that has already been taught. Homework is to be completed in a reasonable amount of time and if there are any concerns about this, then please contact the classroom teacher.

Volunteer Opportunities...

1. Volunteer in our classrooms
2. Become a member of Parent School Support Committee - If you are interested in being a member of the PSSC please contact Jamie Foster (Chair) or email psscchair@gmail.com
3. Become a member of the Home and School – If you are interested in being a member of the H&S contact Nicole Richardson (President) hes.homeandschool@gmail.com

Summer Reading

The research is clear that children who don't read during the summer can lose up to three months of reading progress and that loss has a cumulative, long-term effect.

<http://www.readingrockets.org/calendar/summer>

Topics:

- finding a great summer program
- strategies for summer reading for children with dyslexia
- day trips for book lovers

The ABCs of Improved Reading

Access to books. It's critical that kids have access to a wide variety of books over the summer months, but we know that access alone doesn't make a strong impact.

Books that match readers' ability levels and interests. For young people's reading skills to improve, they need to read books that align with their own reading levels. Reading books that are too easy or too hard won't help!

Comprehension, as monitored and guided by an adult, teacher or parent. The most important piece to making summer reading effective is the help of an adult who can ask questions and guide kids to better understand what they are reading.

With these three ingredients, your summer reading program will soar!

Questions?

THANK YOU
