**Student Attendance Policy/Guidelines****Students Missing Time-Elementary and Middle School****The following definitions are applied for Absent and Tardy:**

**Absent:** An absence from school is when a student is out of school because of a non-school related event e.g. sickness or other unavoidable cause. Elementary attendance is taken in the morning and in the afternoon. Middle School attendance is taken by period/class attendance.

**Tardy:** Arriving to class after the hour of instruction has begun.

If students are missing time the first step in dealing with the concern is to use interventions from Tier 1 of the Pyramid of Intervention (speak with the student, cumulative record card check, one to one conversation, extra help). Appendix B is a sample pyramid.

If the attendance issues continue, the following steps should be taken:

**After 5 days absence or consistent tardiness** - Communication with the home through a telephone call or e-mail correspondence. It is important to have confirmed and documented correspondence. Continue to employ interventions from the Pyramid of Intervention-Tier One

**After 10 days-A Letter may be sent home from the School Administrator** - There may be individual cases in which a letter is not sent as the school is aware of the contributing factors and feels a letter is not appropriate. Continue to employ interventions from the Pyramid of Intervention-Tier One and Tier Two. Appendix C has a sample 10 day parent letter. When sending the letter, you may wish to include a copy of the *Attendance Matters* brochure.

**After 15 days-A Letter/Telephone Call from Administrator** - Arrange a school meeting to discuss the lack of attendance and problem-solve with possible solutions. Continue to employ interventions from the Pyramid of Intervention-Tier One, Tier Two and Tier Three. Appendix C has a sample 15 day letter. When sending the letter you may wish to include a copy of the *Attendance Matters* brochure.

Serious attendance cases, extending beyond 15 days must be addressed at the school level through Education Support Services. In some cases, it may be necessary to address attendance cases through Integrated Service Delivery (ISD) and through Social Development.

**Student Attendance Policy/Guidelines**

**Students Missing Time-High School**

**The following definitions are applied for Absent and Tardy:**

**Absent:** An absence from school is when a student is out of school because of a non-school related event e.g. sickness or other unavoidable cause. An absence is based on any class/period missed in any one subject per semester.

**Tardy:** Arriving to class after the hour of instruction has begun.

**If students are missing time the following process will be followed:**

**After 1-5 Classes Missed-** A teacher is the contact with the home, i.e. subject teacher, homeroom teacher or advisory teacher. An attendance tracking system is established in the school. Interventions from Tier 1 of the Pyramid are implemented. See Appendix B - sample pyramids.

**After 6-10 Classes Missed-** A referral is made to the school's ESSTeam by Guidance or by the Vice-Principal. There is one-on-one contact with the home. Interventions from Tier 2 of the Pyramid are implemented. See Appendix B - sample pyramids.

**After 11 plus Classes Missed-** Administration involvement is activated and ongoing referral to the ESSTeam is in place. Interventions from Tier 3 of the Pyramid are implemented. See Appendix B - sample pyramids. It may be necessary to address attendance cases through Integrated Service Delivery. (ISD)

Re: 10 Days School Absence

Dear Name:

In Anglophone South School District being present and on time every day for school is a priority. This letter is to confirm our concern regarding unexcused absences from school. Success in school and regular attendance go hand in hand. It is important for the school and home to work together to ensure improved school attendance.

School attendance in New Brunswick is compulsory. The Education Act states that parents are expected to cause their child to attend school (Section 13-1C), students are expected to attend school regularly and on time (Section 14-D) and the principal is to examine cases of non-attendance (Section 15-4). Attending school every day builds habits that last a lifetime. will feel connected academically and socially. When students are present they can make a difference to their school community.

Please call your child's teacher at to discuss these absences.
