Home and School Association

The Home and School Association has been busy this school year with various events and organizing fundraisers. Our most exciting one is yet to come! We will be selling tickets for Area 506 and Boxcar Festival. Each package will include two tickets. Tickets will sell for 1 for 5\$, 3 for 10\$, and 10 for 20\$. Sales will start the beginning of April and the draw will take place the third week in April. Tickets will also be available to purchase during Parent Teacher next month. Thank you to all the families for your continued support with our special school and we are looking forward to see what this spring has in store!

SEA DOGS ACADEMY

Greetings DATL families,

We are proud to announce that our DATL School Choir will be performing our National Anthem at an upcoming **Saint John Sea Dogs Game on Friday, March 22nd, 2024 at 7:00PM**. On **March 11th**, we will be sending home order forms and taking orders in the office for **Sea Dogs tickets**. Tickets will be sold until **March 18TH** or until we run out. We will be selling these tickets at a price of **\$12/Student and \$20/Adult (cash only)**. This is a steal compared to regular rates at TD Station (\$25/Adult). We sincerely hope that you will consider joining us on **Friday, March 22nd 2024**, at TD Station. Thank you for your consideration and support!

Respectfully, Mr. Harriott (Mr. H)

Music Teacher DATL

Dear ASD-S Families,

On Monday, April 8, 2024, a rare, total solar eclipse will be visible in our region. While this is an exciting natural phenomenon and an excellent learning opportunity, it also poses a safety risk for observers. Looking directly at the sun, even for a short period, can lead to serious, permanent eye damage. For this reason, schools in ASD-S will be dismissed early that day to ensure students arrive safely at their after-school destinations before the eclipse begins. The eclipse will occur between approximately 3:30pm - 5:30pm. It is important that younger children have adult supervision during this time. Schools will communicate their specific dismissal time closer to the date.

It is crucial to ensure that your child **does not look directly at the sun** without equipment that is specifically designed for solar viewing, such as eclipse glasses. Note that sunglasses, binoculars, and telescopes do NOT provide eye protection.

Students can also protect their eyes from harm by using a homemade [pinhole projector](#) or viewing the eclipse via [live stream](#).

Please review and follow the safety guidelines attached so you can ensure you and your child have a fun and safe solar eclipse experience.

Safety Guidelines: [Eclipse Safety .pdf](#)

Thank you for your understanding and your continued support of our schools!

Anglophone South School District

♥ Welcome to Kindergarten

We are holding our Welcome to Kindergarten session on Thursday, March 14th from 3:00-4:00pm. This is an in-person, interactive event for both incoming students and their parent/guardian to enjoy together.

During this session, your child will receive a Welcome to Kindergarten Bag with many treasures inside. Examples of materials in the bag include playdough, scissors, and books. Kindergarten teachers will lead you through activities that you and your child will complete using the contents of the bag. Since your involvement is so critical to this session, we are asking that you please ensure all cell phones are put away for this one hour. We have found that eliminating cellphones from the classrooms allows adults to relax, enjoy and fully interact with children.

We are very excited to meet our new kindergarten students and look forward to seeing them, and you, on the 14th. Please RSVP the school at 832-6022 to confirm your attendance.

Phys. Ed News

We've been invited to join Hampton Elementary for their Jump Rope for Heart week April 22-26. We will be practicing some jumping and jump rope skills in PE class leading up to the event. A schedule will be available on the school website closer to the event. If parents/guardians would like to come and assist, extra hands are always appreciated!
