

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

To ensure each school environment safely applies risk mitigation measures consistent with Public Health guidance and the *Occupational Health and Safety Act* and Regulations. All schools, and district offices, must develop a written COVID-19 Operational Plan to provide the safe environment needed for students and staff. Refer to the *Return to School, September 2020* document and its appendices for primary support for the requirements listed below. This completed document shall be submitted to Clare Tooley, clare.tooley@nbed.nb.ca for review by **August 26th, 2020**. It will then be signed off by Zoë Watson or John MacDonald and returned to the principal for implementation and distribution.

The following document is intended to provide a check list with spaces for each main topic area along with resources. This will help the plan owner, (school Principal), outline each school's Operational Plan. Communication plans must consider and include staff, students, parents/guardians, visiting community professionals, and public. The District Occupational Health and Safety Coordinator is expected to be the primary support for staff and students. School Joint Health and Safety Committees (JHSCs) should be considered integral to preparations and support for September operations and beyond.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Section 1 - RATIONALE – Effective Risk Mitigation – Infection and Prevention Controls

The best prevention controls in a school/district are achieved by first focusing on recommended physical distancing requirements and taking every reasonable step to configure the physical site to apply an appropriate physical distance between people. All must practice appropriate hand hygiene and cough / sneeze etiquette. Once all reasonable options in a category have been exhausted, move to the next category. Refer to table below for clarification.

In addition to the guidelines and regulations, everyone in the school is responsible for ensuring their own safety and the safety of all others.

Visible signage with clear messaging is a key component to effective communication in the prevention and control of COVID-19.

The K-12 “Return to School September 2020” document is the comprehensive and first reference point for this document.

Instructions: Go down the list one-by-one, review the resource materials as applicable. Describe in “Notes” box how you plan to implement the specific items at your school. To help you remember, under the “Status” column, you can select if the section is *done, in progress, not started, or not applicable*. The last column shows the “Date Implemented” so you can track when items are completed.

Communicate operational strategies, provide orientation to staff and students.	Refer to Orientation Document for <u>Staff</u> and Students	In Progress	8/31/2020
Communicate operational strategies, provided orientation to visitors.	Refer to Visitor Guidelines	In Progress	9/3/2020
Communicate operational strategies to parent/caregiver and school community.	District Communications Refer to Guide for Parents and the Public	In Progress	9/3/2020

Communication Notes: *Describe how expectations are being communicated to the various stakeholders.*

Core Leadership team along with administration have met to establish Operational Plan.

Our school will provide Orientation to all staff on August 31st. Students will attend school according to a staggered entry with 1/3rd of students coming each day. During this time, teachers will teach and practice safety protocols and procedures as per our Operational Plan. The Operational Plan will be posted on our school website as well as a talkmail/email being sent home.

Link to Training Attendance Sheets

Our school has the “Visitor Guidelines” posted at Reception for all visitors to review. It will also be posted on our website. The administrative assistant will review the guidelines with any visitors upon entry to school.

Our school has frequent communication via email to parents/caregivers and we have sent out the standard letter home to parents on August 7th, 2020. Any changes that will apply to the students will be communicated to parents will be made available on the school website – <https://secure1.nbed.nb.ca/sites/ASD-S/1940/Pages/default.aspx>.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Building Access Notes: *Describe how access to the school is being controlled and communicated. All usual security measures must be maintained.*

We have communicated to parents that school access will be limited and to book an appointment. People dropping items off at the school will “buzz” into reception, and reception will go to the door and retrieve the item. All doors will remain locked from the outside during the day (excluding arrival, dismissal, and recess) requiring each visitor arriving to stop and buzz in.

If a visitor is permitted to enter the school, they will go straight to office, review the visitor guidelines with the administrative assistant, and sign in using the district’s standard sign in sheet. Each visitor will then be escorted to their destination unless they are a “regular” and are familiar with the school’s protocols ex: Speech Language Pathologist. Each visitor must also sign out upon leaving the school. Staff will inform administrative assistant of any appointment.

We will take student and staff attendance on a daily basis. Any time a student or staff leaves for the day for any reason, they must sign out at reception.

Physical Distancing must be maintained when possible entering/exiting the school and masks must be worn.

Students will wear a mask upon exiting bus/car. They will enter the front door and wear a mask until they enter their class. Students will go directly to classroom. For dismissal, students will stay in classes. Each bus will be called one at a time. Students will wear masks upon exiting class and go straight to the bus through front doors or at top of ramp. Classes in the portable areas will coordinate times to get dressed for outside to ensure physical distancing.

Screening Notes: *Outline how screening requirements are being met.*

GNB Up to Date Screening Poster will be posted on ALL entrance doors. Staff have been advised of screening requirements within the Orientation given. Staff must self-monitor throughout the day and are aware that should they become symptomatic (with 2 or more symptoms), they must put on a medical mask, and go home as soon as possible. Parents are required to screen children prior to entering the school and teachers will monitor throughout the day. Students will be encouraged to inform staff if feeling unwell. If a student becomes symptomatic (with 2 or more symptoms) while at school they must put on a medical mask (provided by school), and either leave the building or await the pickup of a parent while waiting in our isolation area (maximum 1-hour) The Isolation room (former Chill Room) must be cleaned between each use following procedure within the Standard Cleaning & Disinfection Document.

Physical Distancing Notes: *Outline how physical distancing is being supported and communicated.*

Classrooms – Bubbles will be maintained as close to 15 students as possible.
Staff Room- 2 maximum at tables/eating, 1 at photocopier, 1 at microwave – signage has been posted.
Guidance/Resource/Office – partitions have been ordered for these areas
Washrooms – Masks must be worn in shared washrooms at all times as washrooms must remain open for emergencies from other classes. Handwashing times will be scheduled for classes without a sink so only one class will be using them at a time. Urinals will be out of service. Handwashing will be scheduled to avoid more than one class in a bathroom at a time.
Hallway – Directional arrows on the blue lines to separate people is in place in hallways (walk on the right). Masks will be required in hallways when not in bubble. Classes travelling together will be scheduled to avoid meeting other bubbles.
Offices - There will be “stop” lines at all offices reminding people they cannot enter unless they have permission and 2M distancing can be maintained or masks are worn.
Assemblies/Large Group activities – will be held in virtually/reassessed at a later date
Evacuation Drills – We will stagger the locations of our Muster Points so physical distancing can be maintained when outside of the school.
Library will be closed and reevaluated at a further time.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Transition Times Notes: Describe how transitioning/staggering is being implemented and maintained. Insert school schedule.

There will be no scheduled morning recess. Teachers will be responsible for their own nutrition break and recess time. Lunch recess times will be staggered with different areas for each class: 2 groups will be on the field (each on half a field), one on equipment, sandboxes/Silas' Playhouse/Outdoor Class/bank of swings and one in woods. Each lunch rotation will have their own sandbox toys to be sanitized at the end of the week in preparation for new bubble the next week.

For outdoor physical education and music classes, the classroom teacher will bring them outside either the door by the bathrooms or their own classroom door when applicable. The classes will enter the door by the Resource Room. If inside, students will enter the doors by the staff bathrooms and exit the doors by the main office.

Hand Hygiene and Cough / Sneeze Etiquette Notes: *Describe how the Hand Hygiene and Cough/Sneeze Etiquette procedures are being managed.*

Hand cleaning posters have been posted in all washrooms.

We will have a supply of 362 Cleaner/Disinfectant, Custodian will dilute product and put into pre-labeled bottles. There will be at least 1 bottle available in every classroom within the school. Custodian will monitor supply levels.

Each classroom will have a supply of hand sanitizer (alcohol free) within the class that is for staff and student use, it is to be used under the watch of the teacher. Hand sanitizer will be placed in the front lobby and staff room. Hand washing will take place before eating. Hand sanitizing will take place every time entering the classroom. Hands will be sanitized before going outside for recess or going to physical education.

All staff and students are required to have a community mask readily available. Masks are to be worn when the staff or student leaves the classroom and must remain on until they re-enter their classroom when not supervised by their classroom teacher in their own bubble.

Personal Protective Equipment Notes: *Describe how requirements for personal protective equipment are being met and communicated.*

Every staff member will have a face shield available. We will supply plexiglass “sneeze guards” as requested. Physical barriers will be placed in Guidance, Resource, main office, principal’s office, as well as students with complex needs if needed.

Nitrile gloves will be available for staff as required. Custodians must wear gloves when cleaning isolation room.

A face shield is available for all staff when physical distancing cannot be maintained. Note* Community mask must also be worn if a face shield is worn: a face shield does not solely replace a community mask unless deemed necessary through a risk assessment.

Students/Staff who have 2 or more symptoms of Covid -19 at the school will be provided with a medical mask to wear. Do not reuse medical masks.

A personal plan will be developed for students who cannot wear a mask due to health conditions or other exceptionalities.

We will have a supply of masks available for students or staff who forget them.

All staff interacting with more than one bubble will wear a mask and face shield. For staff that are assigned to one bubble but may have to enter another bubble for breaks/coverage, they must wear a mask and face shield when not in their assigned bubble.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

There will be no hot lunch or milk until Thanksgiving when it will be reexamined.

We do not currently have any external organizations within our school.

We have turned off all fountains and will only be using bottle fillers. Signage has been posted to remind people not to touch their bottle to the spout as well as a reminder that fountains are closed. Parents will be asked to provide a full water bottle and sent home every day to clean.
