## APPLICATION FOR ADMISSION CON'T.....

The purpose of Cooperative Education 120 is to combine studies at school with a work placement in the community. It will offer you the chance to observe and explore a career field and/or expand on an in-school course.

	As a part of your application, you must access the on-line career planning website: careercruising.com - (username: password:)				
	<ul><li>Complete Career Matchmaker in Assessments Section;</li><li>Attach list of top career matches to this Co-op application;</li></ul>				
	• Research 2 top career matches and attach results to this application.				
5.	Overall, my top career interest for Co-op is: Aand second choice, B				
6.	Upon graduating from high school, you have six options by which to pursue these careers. Place <b>A</b> or <b>B</b> beside the option(s) that will get you to your preferred career choices:				
	Apprenticeship Direct to Work Private Training Only College Military University				
7.	If you have chosen a career field that requires private training, community college, or university, describe the program/course you will choose and the requirements for entrance:				
Nar	ne of program / course / degree:				
	rance Requirements:
