

**I.D.E.A Centre
(Centre for Entrepreneurship)
(Innovation Development Entrepreneurship Action)**

The ASD-S IDEA Centre is a co-op style program designed to develop student-led projects. Students will have the opportunity to partner with existing entrepreneurs and social innovators. Students will identify, research and solve community problems through the vehicle of social enterprise and entrepreneurship.

The students' work will be guided and accelerated by potential connections with community-based mentors such as Brilliant Labs, Enterprise Saint John, ConnexionWorks, the Social Enterprise Hub, Junior Achievement, the Teen Resource Centre, and many others.

Students will go to ConnexionWorks located in uptown Saint John in the afternoon every day where the course will be delivered. The course will be offered in both 1st and 2nd Semesters next year.
