

As we wind down another school year at Rothesay Park School we celebrate many events and people who have made this year so awesome! To our grade 8 students we wish you the best of luck in High School and an enjoyable and safe summer.

A few staffing changes to make parents aware of – Mr. E Butler will be moving on to another location in the Fall at KVHS. We wish Mr. Butler the best and thank him for the contributions that he has made to RPS. As well, Madame LeBlanc will be taking a new position for the upcoming school year at Harry Miller. Madame Sooley will remain with the District and Madame Cyr will fill that position. We wish Mrs. Scott the very best as she moves on to new endeavors. Our athletic department will for sure miss you and the many hours that you have dedicated to this school. Thank you to Miss Maye who will be moving on to another position. We truly will miss your contribution to our school in both the classroom and in Drama. I want to thank Mrs. Hussey and Ms. Marr for stepping into the positions of Vice Principal and Principal in my absence.

Light the Night:

What a perfect day and phenomenal turnout! It was community support that made this event special for the student organizers and we can't thank you all enough. From parents helping to set up and supervise tables, to families of walkers, to local participants and generous donations, it felt like something special was happening at the Rothesay Commons that night and that's the experience we wanted for everyone. It was a wonderful tribute to Jonathan Young and a great lesson in community involvement for our students. Hats off to all of our kids and in particular, Regan Long and John Barry for helping to organize the event, as well as to Sophie Lewis and Pierce Davis for speaking both on CBC radio and at the event.

We are proud to announce that, in addition to the \$4000.00 raised for the Leukemia and Lymphoma Society of Canada, we raised over \$3700.00 at the walk alone for the Jonathan Young Memorial Amphitheatre project! We will continue to raise money at the school level before the end of the year so I fully expect that total to be over four thousand by the end of the school year. The students are living up to our school motto and "standing tall" for something they believe in! Congratulations to all.
