

## School Spirit Activity- New River Beach

September 17, 2012

Dear Parents:

As a spirit building activity to give the staff and the students a chance to get to know one another, we have planned a day for the RPS at New River Beach. The students will travel to and from New River by school bus and will return to the school in time to take busses home. This will take place on September 25th with a rain-date of September 26th. Unless there is a heavy rain, we will utilize the first date. If the weather looks less than perfect we ask that the students come to school dressed appropriately to go on the trip as our dates are determined by the tides.

While at the beach the students will be involved in building sand sculptures. The curricular component of the day will involve the students designing to scale their sculpture. We regret that the lack of life-guards will prevent us from allowing the students to swim.

We will provide the students with a hot-dog and a cookie for lunch and ask that they bring with them snacks and a drink. We will be requesting t parent volunteers to transport the cooking apparatus and food to the beach.

We look forward to this fun day it has proven to be a great success for all involved. If you would like to join us please feel free. We ask that you use private transportation as the busses will be quite full.
