➤ May is Food Allergy Awareness Month

Thank you for making **Every Day Food Allergy Awareness Day!**

We appreciate the things you do to reduce potential risk to students with allergies such as bringing alternatives in your lunch for peanuts, nuts or other allergens.

Did you know...?

- in Canada approximately 4% of children have food allergies
- the most common food allergies are peanuts, eggs, milk, tree nuts, wheat, soy, sesame seeds, seafood, sulphites

Important signs to recognize an allergic reaction:

THINK F.A.S.T.

- **F**ace – hives, itching, redness, swelling of face lips or tongue
- **A**irway – trouble breathing, swallowing or speaking, nasal congestion or sneezing
- **S**tomach – pain, vomiting and diarrhea
- **T**otal Body – itching, hives, swelling, weakness, dizziness

Then **ACT** GIVE EPINEPHRINE - Call 911

- **Heritage Fair** – Rothesay Park hosted the Regional Heritage Fair and the projects were phenomenal from various schools. Well done to all Ravens who participated in the school and Regional competition. Congratulations to Ella Bennett and Lauren Clark in grade 6, Joseph Andreani in grade 7, Christian McAuliffe in grade 8 as well as Sharica Whittaker and Sophia Parsons in grade 8. Thanks to Mme. Simon for organizing both the school and Regional Fair here at RPS.
- **Band Trip** – Congratulations to our Band Students who went to Halifax to compete and brought home the Silver trophy! Well done Ravens. Congratulations as well to Charlie Clements who won the trophy for Outstanding Soloist.
- **Science Challenge** – Congratulations to the Science Challenge students for doing a great job representing Rothesay Park in Fredericton! We finished 6th and 9th. Well done Liam Ellingwood, Christian McAuliffe, Cameron Pierce, James Robinson, Sara Williams, Marie Legere, Aleena Dixon and Olivia Roh. Better known as The Science Guys and Tea Taco! Thanks to Mme. Joseska and Mme. McCallum for travelling with the students to Fredericton for this worthwhile event.
