We will purchase the supplies that your child will use in school, and you will make payment for these items online at <https://ASD-S.schoolcashonline.com> in September.

The cost of School Supplies will be \$55.  
The School Activity Fee for all students is \$25.

**Total Due in September = \$80**

You will need to provide your child with a pair of indoor sneakers which will be kept here at school. We suggest Velcro or zippers if your child is not yet able to tie laces as this will make the process of changing footwear go much faster. The children change their footwear 6 times during each school day, and it is difficult for us to tie shoes for everyone in a timely fashion. We appreciate your cooperation in making sure your child is able to change their footwear on their own. You will also need to provide a backpack, water bottle and lunch box for your child as well.
