

## PROVINCIAL STUDENT CODE OF CONDUCT

As a student, I am responsible for my own behaviour to the best of my abilities. I will be responsible for my own personal choices.

I will respect others' differences, ideas and opinions and treat everyone fairly.

I will not tolerate bullying of any kind and I will report bullying when I have knowledge of it.

I will do whatever I can to help those around me who may be struggling.

I will respect the school's rules.

I will attend my classes, do my homework, and be prepared and on time.

I will behave in a way that is empathetic, responsible and civil to those around me.

I will resolve my conflicts in a constructive manner.

I will treat school property and the property of others with respect.

I will respect myself. I will respect others. I will respect my environment.

**All members of the school community have the right to learn and work in a safe, orderly, productive, respectful and harassment-free environment. All members of the school community are responsible for supporting and modelling the standards established in this Code.**

Students are expected to be respectful and engaged in their school community. Nothing is expected of a student that is not also expected of others in the school community. Teachers and school staff, led by the principal, and members of the school community should model good behaviour and the values of the Code in school and wherever students are present (including on the school bus).
