Notes:

- Kick-off times are approximate. I suggest contacting the opposing coaches to confirm the timing.
- Teams are responsible for finding their own refs for their home games.
- Bayside will play its home games at Forest Hill Middle School in East Saint John.
- If you need to re-schedule a game, don't contact me. Contact the opposing coach and work something out.
- Please send me the results of your games- the winners and scores. To rank the teams, we'll use the overall record. In the event of a tie, we'll use head to head. If there is a three way tie we will use points for during the head to head, then overall points, then points against.
