This year we are looking for volunteers to help us cover the times listed above on Sunday, Monday and Tuesday each week. To help cover these times we are offering a volunteer pass where you can book shifts that you know you would be able to cover and in turn receive a season pass. For example; you could commit to five Monday evenings through the winter.

Individual pass = two four hour and one two hour shift over the winter

Family pass = five four hour shifts over the winter

For more information about the rink find us on Facebook at Norton Recreation. To let us know if you would like to volunteer and when you can help contact Jason Sturgeon at 839-2327 or 432-6265 or Shawnee McConchie on Facebook or at 434-1875.
