TERRY FOX WALK

Terry Fox

We will be holding our Terry Fox Walk on Friday, September 12th, with a rain date set for Monday, September 15th. In the spirit of Terry Fox's original campaign, we are asking each student to bring in one dollar to support cancer research.

HOME AND SCHOOL

The Inglewood Home and School Association provides tremendous support to our school, by sponsoring many programs enjoyed by Inglewood students. All parents are urged to join the Association during our Open House, September 24th.

CROSS COUNTRY & BALL HOCKEY JAMBOREES

Our first jamboree of the year will be September 18th at Fisher Lakes at 3:45 pm. Permission slips will be sent home with the students who are interested in this event. There will also be a ball hockey tournament at Westfield school on Saturday, September 20th. A permission slip will also come home with interested students.

SCHOOL WEBSITE AND HOME COMMUNICATION

We encourage families to check our school website for updates about school events. This is a new website for Inglewood School and will continue to be developed throughout the year. We will also be transitioning to an email based communication system for school-to-home communication. We have started the year using the email system as well as the talk-mail system so if you have not been receiving any emails please inform the school office by calling 738-6503. If you do not have an email account, we will make note of this and send a hard copy of the announcement home with your child.

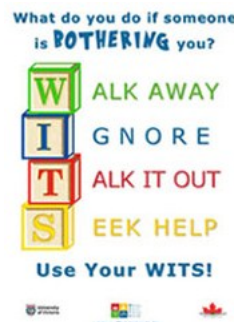

CODE OF CONDUCT AND WITS PROGRAM

This year at Inglewood School we will be discussing our Code of Conduct with the students and each month will have a theme. "Be Respectful Be Responsible" and Be Safe" will serve as the foundation for the Code of Conduct, and the discussion in the classroom has focused on what this would look like through the school day. The main theme will change each

month with the theme for September being "Respect.:

WITS stand for "Walk Away, Ignore, Talk it out, and Seek Help." This is a bullying prevention program that will be implemented in Inglewood this year. This program involves the students, teachers, parents and the community to teach strategies that reduce

bullying in our school. More information will be coming home throughout the year.
