Fundy Shores	1 team	Inglewood	2 teams
Island View	2 teams	Seawood	2 teams
Morna Heights	1 team	St. Pat's	3 teams
Westfield			2 teams

Please note:

- There are 9 schools participating in this year's jamboree. We have a total of 15 teams! Each team will play three 10 minute games.
- All efforts were made to ensure that each team plays at regular intervals and against different schools. (this was a bit difficult as the numbers of schools varied so much and there are three schools that play against another school/diff team twice- sorry!)
- All players and spectators are asked to bring their sneakers to the event. Students cannot play in boots, crocs, or sock feet.
- Game time on the clock does not stop. Please have your team ready to go as play begins as soon as the games are announced.
- A "one minute remaining" in game play will be announced prior to the end of each game.
- Players are to line up and shake hands following the game.
- All players are asked to stay together with their team at a "home base" designated by each coach.
- There may be referees for this jamboree - UNBSJ athletes but they may not be familiar with the game and coaches are asked to Coaches are asked to please assist in the running of the games to facilitate game play (it would be very helpful to have someone else who can sit with your other teams while they are not playing).
- Participation ribbons will be handed out to each coach at the jamboree for all participating players. They are generic participation ribbons but they are a pretty green ☺
