

Weekly Message from Seaside Park

Good evening this is Mrs. Myatt with this week's message from Seaside Park

Happy New Year and welcome back to school! Our staff is excited to welcome our students back to school tomorrow, Monday, Jan. 8th.

A reminder that students are to be at school, ready for learning each day by 8:30am. Student drop-off starts at 8:15am. There is no supervision of students until this time.

Routines – As we start a new year – it is important to carve out some time to review school routines with your children. Spending a few extra minutes each night, reading or practicing math strategies will help your child feel more confident and connected to their learning at school.

Morning Drop-off – a reminder that morning drop-off information has been provided to families numerous times. We need everyone's help in following our morning drop-off procedures. All vehicles are to stay in the middle lane of the drop-off zone. Do not pull over to either side – at any time - during drop-off. Please do not exit your car to get your child out and then put on coats, bookbags, etc. There are staff members outside helping to direct traffic and to help you get your child out of the car. If you need extra time with your child – please park along one of our side streets and walk your child to our main doors. If there is someone dropping your child off that is unfamiliar with this routine – we ask that you please share this information with them.

Cafeteria Service – The cafeteria service will be available for students starting on Wednesday, January 10th.

Weather –A reminder that all students should be coming to school with snow-pants, hats, boots and mittens. An extra change of clothes, and also extra mittens and gloves, are important for all students so that we do not have to call home if students are wet after coming in from recess. Students are outside every day – for recess and sometimes for Phys. Ed.
