October 31st – Orange and Black Day for Halloween. Students are encouraged to wear Orange and Black – no costumes please!

School Supply Fee –Invoices have been sent home to families who have not yet paid. Please ensure that you pay your child's school supply fee as soon as possible. You can pay this fee online or you can stop in to pay at the office. We encourage you not to send cash with your child to school as we are not responsible for any missing cash.

If you are paying online, please go to our school website and find the School CashOnline tab on the bottom right hand side of the page.

Attendance Matters – Our attendance policy is in place so that we can help encourage and support our students in being at school each day. If your child has missed 5 days of school, please know that their homeroom teacher will be reaching out to see how we can support you. Once your child misses 10 days of school, an attendance letter will be emailed or mailed reminding you about your child's attendance. At 15 days an administrator will call to have a conversation on how we can encourage your child to be at school. Our students are learning something new and exciting each day – we want to see them at their best while they are at Seaside Park!

Kindergarten Registration – Kindergarten Registration week was the week of October 10th – 13th. This is for children who will turn five by December 31st, 2024. You can still register your child for Kindergarten if you haven't already done so. Registration can be completed online –

visit the ASD-South website and look for the link or you can come to the school to register. You will need the following documents: birth certificate, immunization record, medicare card and proof of address.
