

## Harbour Seal Awards

Awards are given to students who do a good deed, shows kindness to others, helps others and conducts themselves in a positive caring way.

Staff members fill out a quick duplicate form that tells why it is being given and then the student receives a small token for their good efforts.

At the monthly assembly books draws are conducted from those that received an award throughout the month.

Harbour Seal Awards were given in December for:

Listening quietly to his buddy reading a book. Awesome!

He picked up a mess he didn't make.

He helped clean up the snap cubes and put things away neatly.

She helped someone with her book box when she left it behind.

She helped pick up a mess she didn't make.

She read to her reading buddies and was a great role model for her group.
