June 16, 2016

Dear Parents/Guardians,

This is the third year that the school for Grades K-5 will be purchasing all school supplies over the summer months. We will be collecting a \$45.00 fee from each student to purchase the school agenda as well as the necessary school supplies. Please send the supply fee in to the current homeroom teacher by June 24, 2016. Our intention is to lessen the stress on parents by buying supplies for the entire class over the summer months and to pay now would mean less you pay out in September when you buy the supplies below. Everyone in the class will have the same items.

Please note: the \$45.00 fee does include the agenda \$10 fee.

The only items you will need to purchase are:

***lunch bag**

***book bag**

***ear phones (This year's headphones will be returned to home at the end of the school year).**

***indoor sneakers...students must have indoor sneakers to participate in gym class. Sneakers must be non-marking soles.**

Yours in learning,
BBES Grades K-5 Teachers
