December 2022

Issue #4

Season's Greetings to all our BHS families! December is always an exciting time for our school community. We have many holiday events and activities happening in our school and our community. Please take a moment to review our community calendar for important dates.

We are so grateful to live and work in such a supportive and generous community. BHS students are giving back to by donating their time to participate in some worthwhile community holiday fundraisers. Our school choir is participating in the local **Christmas Telethon** on December 3rd and our student body is participating in **Santa's Helpers** which will air on December 4th (see our calendar for details on where to watch this program and how to donate). Our school is also participating in the community **Reverse Christmas Parade** on December 10th. Be sure to take a drive through Blacks Harbour to enjoy the lights and vote for your favourite parade participant.

Thank you for being allergy aware and for following our nutrition policy by not sending holiday treats to your child's classroom before checking with your child's teacher.

We wish you a bright and peaceful December and hope that you experience all the joys of the season.

Cheers,

Tammy Surette
Principal

Report cards will be issued on December 1st and parent-teacher meetings are scheduled for the evening of December 8th and the morning of December 9th. Parent-teacher meetings are by appointment only, so please contact your child's teacher to arrange a time to meet.

Winter is on the horizon which means colder days are ahead. Thank you for dressing your child/children in warm winter clothing, so they can enjoy outside play throughout the winter season.

Thank you for having after school travel plans made early in the day. Please notify us of changes to after school travel plans by 12:30 pm.
