

BHS News!

March 2023

Issue #7

Dear BHS Seal Families,

February was full of wonderful learning opportunities and fun adventures at BHS:

- Staff and students participated in several school spirit days, which are always fun.
- We hosted a valentine's dance for our intermediate students, and for many of these students it was their first dance ever! Staff, students, and volunteers had a blast. **Thank you** to our Home & School Committee for organizing our dance canteen and our candygrams.
- We celebrated Teacher & Staff appreciation week. **Thank you**, parents, students, and community members, for celebrating with us and for all the kind words, notes, and treats.
- We participated in **Pink Shirt Day**, in a united stand against bullying.
- Our intermediate students had a presentation from "**Astronomy by the Bay.**"
- All of our students were introduced to Lacrosse, and many fell in love with the sport!
- Our Grades 1 & 2 students celebrated 100's day. **Thank you** to everyone who attended our open house.
- Our K & K-1 classes learned how to order, pay at The Kitchen Restaurant! They practiced great manners while they were patrons of the restaurant.
- Our grade 4 & 5 students had a meaningful visit with an Elder.
- Finally, we had an impromptu hallway dance party to celebrate a day when everyone was on time for school!

Please remember to pack reusable spoons and forks in your child's lunch box!

Remember to pack a water bottle every day!

BHS is the best place to learn, grow, and work! Thanks for being part of our team. Be sure to check out our March calendar so you'll be in the know!

Sincerely,

Tammy Surette
Principal

It's Cold and Flu Season and we've gone through A LOT of facial tissue. We are accepting donations of facial tissue. If you're able to help, please send a box of tissues to your child's class.

Attendance Matters

Many thanks to our families who set a great example for our students by helping them be on time each and every morning!

Remember to change your clocks on March 12th!

Want to get involved?

- **Join our Home & School. For more information on how to join our amazing team of parents contact any staff member.**
- **Watch for messages from our principal's office or from your child's teacher. We'll have more opportunities for you to visit BHS and see all the wonderful things we're doing.**

Thank you for having after school travel plans made early in the day. Please notify us of changes to after school travel plans by 12:30 pm.
