- In keeping with best practice, several teachers are choosing to pool the students' school supplies to create community supplies for all students' use. For this reason, please do not put your child's name on school supply items. If you or your child has "special" items, we encourage that these items be kept at home for use on special projects.
- Each student will need \$¹⁰ to cover the cost of his/her student agenda and assist with other cost such as skating, school bus trips, etc.
- Your child will need a book bag and a pair of sneakers to be worn indoors. It's best if your child's name can be on these items. Please note to avoid shoes that leave black marks on floor.
- School will begin for all students in grades 1-5 on Tuesday September 4. Kindergarten students will have a split entry – half of the students will come on September 4 and half will begin on September 5 with all kindergarten students coming on September 6 and onward. Families of Kindergarten students will receive a letter by mail early in July to let them know which day their child begins school.
