Principal's Message

I would like to take this opportunity to **welcome** all new and returning students, as well as their families, to Blacks Harbour School! I'm very excited to be a part of the BHS team and I'm looking forward to a fun and successful year of learning and growth.

Thank you, to everyone who attended our *Meet the Teacher Open House!* It was a wonderful time of reconnecting and getting to know each other. Stay tuned for other school functions and opportunities to get involved in throughout the school year!

Sincerely,

Tammy Surette

AN OPPORTUNITY FOR PARENTS!

If you're interested in participating in our **Parent School Support Committee**, or our **Home and School Team** please contact Mrs. Surette to sign up. Your involvement matters.

ALLERGY ALERT

Within our school community there are several students who have a potentially **life-threatening allergy** (anaphylaxis) to foods, predominantly to peanuts and tree nuts (e.g. almond, cashew, hazelnut,). The best way to reduce the risk of accidental exposure to these students is to respectfully ask for the co-operation of the parents/guardians within this school community to avoid sending products with peanuts/nuts listed in the ingredients.

This year we will be continuing with the Synervoice messaging system which will help us to keep you better informed. Stay tuned for important messages and notifications.

Also, be sure to follow us on **Facebook** and **Twitter** for good news updates. (Please do not use social media to contact us. Contact us via email or telephone.)
