

BHS News!

November 2022

Issue #3

Principal's Message

It's hard to believe we're entering the 3rd month of the school year! Our students have participated in several exciting learning adventures since the start of the year and there's lots more to come this month. Thank you, parents, for making attendance a priority so that our students are on campus every day and ready to learn all the amazing things teachers have planned for this term.

Thank you to our energetic and talented **Home & School** for hosting a fantastic Halloween Carnival. If you would like to become a member of this group, please let us know; all are welcome!

Thank you to the **Kitchen Restaurant** for hosting a spooktacular haunted house and for your very generous financial donation.

Finally, be sure to check out our community calendar so you don't miss out on the fun things we have planned for November. We're launching our PBIS program this month and we have several spirit days planned. We hope to see lots of BHS school spirit this month!

Sincerely,

Tammy Surette

ATTENDANCE MATTERS

Elementary is the time to start building a habit of good attendance. Studies show that poor attendance in the first years can predict absenteeism in later grades.

On November 10 our students will be learning about Remembrance Day in anticipation of the November 11th holiday.

Please be allergy aware!

*Thank you for having after school travel plans made early in the day. Please notify us of **changes to after school travel plans by 12:30 pm.***
