

Season's Greetings *to our PALS and School Partners!*

Your kindness, time and caring have enriched the lives of so many students in our community during this unprecedented period of the Covid-19 pandemic. New ways of doing things have been explored and as always, our PALS partners rose to the occasion and continued to partner with our schools to help them look after the needs of the most vulnerable students.

We thank you for everything you have done and continue to do during these challenging times. Our partners in the community and at the schools are truly 'heroes' to the children and their families.

As we look forward to a different year in 2021, our hope is that you, our PALS and schools will continue to partner to help enrich the lives of the children we all serve.

Each of you embodies these words from Oscar Wilde, *"The smallest act of kindness is worth more than the grandest intention!"*

Wishing you all a very Happy and Healthy Holiday Season and a wonderful New Year.
