Attendance

Thank-you Parents!!

The staff at DICS would like to thank all of our school families who have helped us in attaining one of our School Improvement Smart Goals. We have worked very hard to improve our student attendance, and the data for February and March showed some amazing results! We compared the data from last year to this year in each of those months, and students have missed half the amount of days in both months compared to last year. We are certainly on the right track and applaud your efforts in promoting good school attendance!

Grade 8 News

- A reminder to parents that the grade 8 students will require either a valid Passport or Nexus card in order to go on the class trip.
- As well, all grade 8 students must have International Travel Insurance and provide the school with a copy of the policy for the trip.
- Finally, there are still some parents with money from pizza, ticket sales, etc. Please send this into the school ASAP as Mary Anne is trying to get an updated financial statement prepared.

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.
