Children's Stage Adventures

On Monday, January 16th, Children's Stage Adventures will be arriving at our school to collaborate with students and staff to produce a play that will be performed for the community on Friday, January 20th at 7:00 pm. This production will include all of our students and should prove to be an amazing opportunity and experience for our school and community. It would be great to have some parent volunteers here for the week to help us with the organizational component and back-stage needs.

If you are interested, please call the school.

Permission forms will be sent home at a later date.

****Student attendance must be a priority for this week as intense auditions/rehearsals will be taking place for the majority of each day.***

If you know that your child will not be available for the Friday night production, please let us know by Monday, January 16th!
