Outdoor Play Area Rotation

Outdoor play areas for the week of January 18^h - 22nd:

Playground: Grades 3/4/5

Mountain Town: Grades 6/7/8

Field: Grades K/1/2

Middle School Science Fair

Science Fair is fast approaching and this week students started with the process of choosing topics for their projects. Today an information package is being sent home and includes some ideas, examples of reports, things to include and the rubrics so students know exactly what's expected. Some students have ideas already, but it does take time. Please return the first page of the package (My Science Fair Project Progress Report) to Mrs. Richards no later than January 21st. Projects are due February 23rd. If your student needs another copy of the package, all materials have been uploaded to the respective science teams under the "Files" tab. Once projects/experiments have been approved, this is an at-home assignment.

Thank You!!

We had a special delivery from Gary Conley this week on behalf of the Leonardville Church of Christ! A very generous donation of \$1000 will allow us to continue to provide a healthy morning snack option for all of our students for months to come!

On behalf of our students and staff, we thank you!

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.

Safety/Respect/Responsibility Bracelet Program

Next week's theme: RESPECT

Understanding that everyone learns in different ways,
at different paces, but we are all capable of learning!

The next Bracelet Celebration draw will take place on Friday, January 29th.

Milk Jug Request

The grades 6, 7 & 8 is still looking for as many clean plastic
2 L milk jugs as they can get.
Please continue to send them in to the school.
Thank you!

Cafeteria

January

Monday	Tuesday	Wednesday	Thursday	Friday
