Children's Stage Adventures

On Monday, January 19th Children's Stage Adventures will be arriving at our school to collaborate with students and staff to produce the play, "Oliver Twist," that will be performed for the community on Friday, January 23rd at 6:30 pm. This production will include all of our students and should prove to be an amazing opportunity and experience for our school and community. It would be great to have some parent volunteers here for the week to help us with the organizational component and back-stage needs. If you are interested, please call the school.

Student attendance must be a priority for this week as intense auditions/rehearsals will be taking place for the majority of each day.

DICS is a peanut-free facility

As per the ASD-S peanut-free policy, all schools in Anglophone South are mandated to be peanut-free. Currently, our school does not have any students with peanut/nut allergies, however, in order to maintain the peanut-free status, we must ensure that no peanut/nut products enter our building. We understand that this may be somewhat of an inconvenience, but there are many peanut-free alternatives on the market today, and as a school, we must take every precaution to keep our students, as well as visiting students, safe and healthy.

We will be educating our students regarding this policy, as well as ensuring that both our Breakfast Program and cafeteria service adhere to it.

We appreciate your serious consideration of this matter and If you have any questions or concerns related to this issue, please do not hesitate to contact the school at any time.

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.

Safety/Respect/Responsibility Bracelet Program

Next week's theme: RESPECT

Students will be practicing good listening skills for the week.

Next Bracelet Celebration: Thursday, January 29th 2015
