World Read Aloud Day

World Read Aloud Day is an opportunity to celebrate reading in your community. We recognize that literacy begins with teachers and families who foster a love of reading in their students and children.

Let's celebrate reading and spread the word about World Read Aloud Day on February 1st, 2019. We will be taking this opportunity to have grade specific events to celebrate this day! Please keep an eye out for further details from your child's teacher.

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.

Safety/Respect/Responsibility Bracelet Program

Next week's theme: SAFETY

Be aware of your surroundings during transition times.
