COVID-19 Vaccine

Eligibility to book an appointment for the COVID-19 vaccine is opening to people aged 12-17-years old in New Brunswick.

This means that all New Brunswickers over the age of 12 are now eligible. A person aged 16 or older, or the parent or guardian of a person aged 12-to-15, can register. Children 15 and under require the consent of parents. Vaccination will take place at appointments at local pharmacies or at clinics being held by the Vitalité and Horizon health networks. Book your, or your child's appointment at a participating pharmacy or a clinic hosted by Vitalité or Horizon health networks.

If you are unable to book online, call 1-833-437-1424.

Booking checklist – have your:

- The family calendar/agenda/day planner
- Your child's provincial Medicare card
- Your child's postal code
- Your child's date of birth
- Your phone number and email address

On your appointment day: Fill out the immunization consent form ahead of time and bring it with you. No printer? No problem! Ask the school to print one out and they can send a copy home for you. Student absences will be noted as excused for record keeping purposes, but the absence not be counted negatively against the student for academic purposes.

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.
