Bus Notes/Phone Messages

Please remember that if your child is getting off the bus at a different location, a note is required.

This note can be sent in with the student or you can call the school to have a note written for them.

Emails, texts, etc, to students or teachers do not work as these messages are not always delivered or seen in time. If you call the school and no one answers, please leave a message as messages are checked frequently.

Thank-you for your cooperation with this matter.
