## Riddles

**Q: A dad and his son were riding their bikes and crashed. Two ambulances came and took them to different hospitals. The man's son was in the operating room and the doctor said, "I can't operate on you. You're my son."**

**How is that possible?**

**A: The doctor is his mom!**

**Q: Throw away the outside and cook the inside, then eat the outside and throw away the inside. What is it?**

**A: Corn on the cob.**

**Q: If an electric train is travelling south, which way is the smoke going?**

**A: There is no smoke it is an electric train**

**Q: A horse is on a 24 foot chain and wants an apple that is 26 feet away. How can the horse get to the apple?**

**A: The chain is not attached to anything.**

## Pâques

Par: Chenny Nam

À S.G.E.S, nous sommes occupés pour préparer pour le printemps! Parce qu'il y a plusieurs de choses qui se passent dans le printemps par exemple; le jour de Canada, la fête des mères/pères ou le jour de poisson d'avril. Mais c'est quoi une fête que se passe sur dimanche, le 20 Avril? La Pâques!!! Sur le Pâques, on fait une chasse des œufs ou peut être aller à l'église pour célébrer la résurrection de Jésus. Ça dépend sur la tradition de ta famille. J'espère que tu passes un Pâques fantastique!
