## ALLERGY AWARENESS

We are a peanut free school. Our  
school is working diligently to protect  
students with allergies, and we are  
always open to your suggestions.

On Arbour day, grade one celebrated trees. An  
Irving representative came to speak to the  
students about the importance of trees. The St.  
George Mayor Danny Henry came to speak with  
them as well. Once that was all done, Lauren  
Vance and Cohen Chase helped plant three  
trees in the front of our school. To top it all of  
they created a video of the day and put it on  
youtube. Check it out! They had a blast!!
