Remembrance Day

Remembrance day is coming up on November 11th. We will be having an assembly on the 9th and there will not be school on the 12th.

MOVEMBER

For the second consecutive year at St. George Elementary School, the staff has had an opportunity to take part in Movember. During the month of November participants grow moustaches to help raise money and awareness for men's health. Last year SGES raised \$300 for prostate cancer research. This year we hope to break that record. Please visit:

<https://www.movember.com/ca> for more information, or to join our team 'SGES Gentlemen'. Our team welcomes all staff, family and friends of SGES.

TERRY FOX

Terry was born and raised in 1958. A few years later he developed leg cancer. Terry had to go to the hospital to get his leg amputated, and replaced. Once his leg was gone, he had a dream to run across Canada. He started in St. John's Newfoundland. Terry ran 143 days, covering 5373 kilometres until he died. He raised over 500 million dollars for cancer. He died on June, 28 1981. I think Terry was a great man. We supported him on September 28 2012, and raised about 472 dollars. By: Evan Carr.
