FUNDY MIDDLE SCHOOL NEWS

Can you believe it? Spring is in the air! Highlights of this month at FMHS are brand new Baby Mariners (Congratulations to the Heelis Family, Bourque Family and Doiron Family!) Numeracy Interventions, Report Cards, Community involvement, and the beginning of our Spring Sports.

ASAP Academic Interventions

In efforts to improve student learning in the areas of Numeracy and Literacy, Fundy Middle School will shut down small group ASAP options every 2nd Wednesday and Thursday. During this time, identified students will work in small groups with their literacy/numeracy teachers on important skills and concepts. Students who have not been identified as needing additional support will take part in large scale ASAP options. Parents will be contacted by teachers if their child will be part of the intervention groups.

Volleyball & Rugby

Middle School Volleyball is starting and all are welcome! Girls will be playing on Tuesdays and Thursdays from 3:30pm to 5:30pm. Boys will play Tuesdays and Thursdays from 5:30pm to 7pm.

Middle School Mariner Rugby is hitting the fields this month. Skills and techniques have been taught and players are ready to compete. Anyone involved in this month's Rugby ASAP will be expected to represent our Middle School team.

Canada Games Activity Challenge grades 6 & 7

Let's keep the physical activity momentum rolling! The Canadian Games Activity Challenge is a fun, activity tracking app for our student and teachers, and our grade 6 and 7s are signed up. It creates healthy habits by rewarding daily physical activity. Students are a part of their classroom team and learn fundamental movement skills at school then, they practice at home and earn rewards. If you have questions, contact Fundy Middle and High School's Phys. Ed. Department. We are working on Module 2.

FMHS is Scent, Shellfish and Nut Free

We thank you for respecting our mandate for keeping our school scent, shellfish and nut free.

Lunch Time Clubs

It pays to get involved! Besides our ASAP clubs, we also have Lunch Time Clubs. You are all invited to: Renaissance on Mondays with Mme. Cormier, Yearbook on Tuesdays with Miss Pattison, Student Council on Thursdays with Mrs. Wilcox and Mariners in Motion on Friday with Mr. Grant.

After School Activity Program

Students will sign up for ASAP on Friday, April 7th. Activities for this month include the following: (Monday/Tuesday/Wednesday) Board Games, Gym Games, Drama, Drawing, Reach for The Top Trivia, Ministicks, Music, and Computer. Thursday/Friday offers Yoga & pilates, Drama, Board Games, Webpage Design, Arm Wrestling, Penmanship/Homework, Drawing, Kendama, Computer, Hair and Friendship Bracelets, This period of time is an important way for students to try new activities, develop social and leadership skills and have fun..

Most students are eager to participate in our After School program, however students are permitted to leave at this time if they have **guardian/parental permission and transportation** for the month. Permission slips are offered at the monthly ASAP sign up. These must be completed and returned to homeroom teachers before the student can opt out of the program.
