28	29	30 PBIS Assembly (ASAP)	31 Francophone Fair 6-7:30 Gym	1 JUNE!	2	3

Fundy Middle School News

All things seem possible in the month of May; the rain will fall, the Buds will bloom and the sun may shine. We, in Mariner County, have much to be thankful for: Garden Growth, more community connections, clean hallways and impressive student involvement!

Morning Break

During morning break a snack cart will be available to middle school students. The funds raised from the snack cart are used for the middle school students for items such as subsidizing field trips, special events or ASAP supplies.

Students are permitted to get fresh air and outdoor play time during this break. The teacher on duty will meet students by Mr. Grant's room and proceed outside. It will be getting warmer, we hope, but please remember to prepare for the elements.

And the Oscar Goes To...

Last month was a huge success with our PBIS Oscar's. We are most proud of 8FI for Best performance, followed closely by 7B and 6B. This month's focus is having hallway passes when leaving the classroom.

New Report Cards

Professional Learning for teachers over the last couple months has focused on assessment and the new report cards which will come out during the 2017/18 school year. Report cards for middle school students and families will look very different next year, so we want to get a good handle on how we communicate progress to students. Middle School Progress in ASD-S, as with the rest of the province, will be communicated anecdotally and based on a 4 point scale. More information will come!

Community Connections

FMHS is partnering with the Charlotte County Multicultural Association and our children will reap the rewards! Katia Abbassa will be offering a Cultural Café activity during the middle school ASAP in which students will take part in numerous experiences that should give insights on different customs, beliefs and values from around the world. Students will be given the opportunity to learn traditional Arabic dance, explore their own culture, identify flags from around the world, explore artwork and learn to cook Arabic and Italian cuisine.

[Sidebar Title]

After School Activity Program

Most students are eager to participate in our After School program, however students are permitted to leave at this time if they have **guardian/parental permission and transportation** for the month. Permission slips are offered at the monthly ASAP sign up. These must be completed and returned to homeroom teachers before the student can opt out of the program.

Students will sign up for ASAP on Tuesday, May 2nd. This period of time is an important way for students to try new activities, develop social and leadership skills and have fun. Activities for this month include the following: (Monday/Tuesday/Wednesday) Outdoor intramural soccer, Tennis Sketching and zentangles, Volleyball, Walk/run/basketball, Gym Games, Homework, Computer lab, and Trivia.

Thursday/Friday offers Walk/run/basketball, Improv/Drama Games, Catch, Biking Club, Cultural Café, Disney movies, Scooter/skate boarding, Hair/Karaoke Club, Rugby, Gymnastics, and Board Games.

Please Note: any student participating in bike or scooter/skateboarding will be REQUIRED to wear helmets.

Scent & Nut Free

We thank you for respecting our mandate for keeping our school scent and nut free.
