All that is required to become a part of this active organization is the small fee of \$5.00 per person. Monthly meetings are held the second Monday of each month. Your attendance at all meetings is appreciated but not necessary as we know schedules with students, sports, homework, etc. may cause conflicts.

If you feel that you would like to be party of this association, please join us at our next meeting on Monday, September 10, 2018. If you have any questions, please contact Tobi Taylor at 506-755-1455 or email at t.taylor@atlanticfishfarmers.com.
